

# Specialized Recreation

Register online at [www.IssaquahParks.net](http://www.IssaquahParks.net)

Issaquah Parks and Recreation Department welcomes and encourages children, youth, and adults with developmental disabilities to register for all programs offered, not just programs listed in this section. Parents or guardians of children with special needs interested in enrolling their child in an inclusive program should contact Ross Hoover at 425-837-3346.

Specialized Recreation staff are here to provide leadership to the programs. They are unable to provide attendant care (toilet transfers, feeding, giving medication, etc.) or provide one-on-one behavior management care. Attendants may be required but can participate in our programs free of charge when assisting participants who need one-on-one assistance. Should any participant behave in a manner that is threatening the safety of staff, fellow participants or themselves, they may be dismissed from the program.
